

Thailand Adventure Camp Program

A Look at the Thailand Adventure Camp Counselor Experience

If you're ready to experience what it's really like to live abroad, build some practical career skills, and give back to a local community, the Thailand Adventure Camp Counselor Program is a fantastic way to do it. Designed for adults of all ages, this program is all about helping you step out of your comfort zone and make a meaningful difference while exploring a new culture.

This experience is flexible and low-stakes, making it a perfect fit if you want to test the waters in the classroom during a summer break or a gap semester without signing a long-term contract. Best of all, you won't have to navigate this journey alone - we ensure you have reliable, immersive support every single step of the way.

Where You'll Be: Major Destinations and Authentic Culture

Your time will be comfortably divided between our core regions - Bangkok, Hua Hin, Chiang Mai, and Krabi. This gives you a really great balance of major destinations, historic highlights, and authentic local culture.

You won't just be dropped straight into a classroom, either. You'll start out with a week-long orientation in Thailand to help you learn some everyday language basics, get a feel for local customs, and head out on exciting local trips. It's the perfect way to get your bearings, build your confidence before the camp starts, and really settle into your new community.

The Program: Teach & Travel

Get a great mix of hands-on experience helping at the youth camp and an authentic look at everyday life in Thailand.

We leave plenty of open time in the schedule for you to look around, check out local history, and take in the culture.

Start with a week-long orientation to help you get your bearings, meet the rest of the group, and connect over a welcome dinner.

Practice everyday language phrases, visit historic palaces, try out Muay Thai, learn to cook local dishes, and explore the country's lifestyle.

Before camp starts, join practical workshops to learn about local customs and build your confidence for running the youth activities.

Proven Experience & 24/7 Support

You'll be backed by a team with a proven track record. Xplore has successfully placed over 10,000 participants across Asia, earning a 92% satisfaction rating on GoAbroad alongside multiple Top Rated awards.
